Academic Motherhood In A Post

Academic Motherhood in a Post Second Wave Context Paperback – April 1, 2012 by Hallstein Lynn O'Brien (Author)

Academic Motherhood in a Post Second Wave Context: O'Brien ...

Contributors detail what it means to be an academic mother and to think about academic motherhood, while also exploring both the personal and specific institutional challenges academic women face, the multifaceted strategies different academic women are implementing to manage those challenges, and investigating different theoretical possibilities for how we think about academic motherhood.

Demeter Press | Academic Motherhood in a Post-Second Wave ...

Academic Motherhood tells the story of over one hundred women who are both professors and mothers and examines how they navigated their professional lives at different career stages. Kelly Ward and Lisa Wolf-Wendel base their findings on a longitudinal study that asks how women faculty on the tenure track manage work and family in their early careers (pre-tenure) when their children are young (under the age of five), and then again in mid-career (post-tenure) when their children are older.
