The Nova Decarboxylator aka the Lift boasts 100% THCA to THC conversion and no THC loss. I did a test on the same material I've been working with for awhile now and it was truly incredible. It allowed me to use so much less cannabis and cut my dosage almost in half. I'm writing up a review with a cost analysis (it's finally here!), but I can tell you for certain that if you decarb and cook ...
