The first time you turn your ERA on it will immediately go into pairing mode. If you need to manually put the Jawbone into pairing mode, you have two options: Option 1: Turn your Jawbone on (slide the power switch to ON, the position where you can see the blue indicator) and shake the headset back and forth two times. The LED light that surrounds the little rubber piece that rests against your cheek will flash red and white once the headset is in pairing mode.
