Hello all! I'm new to this forum. I am looking for repair information/set-up of

Acces PDF Bridgeport Mill Repair Manual

the automatic spindle drill feed. The feed works well. The problem is that when the clutch handle disengages the rectangular block swings too far to the left and the detent at the bottom of the rectangular block won't let me re-engage the clutch unless I push the detent up with a screwdriver and then it will work ...
