Cognitive Sociolinguistics Social And Cultural

" Cognitive Sociolinguistics: Social and Cultural Variation in Cognition and Language Use should be a fascinating read for both cognitive linguists and sociolinguists along with anyone else who might be interested in the language-cognition-culturesociety intersection."

Cognitive Sociolinguistics: Social and cultural variation ...

Once such a re-evaluation has taken place, however, the social recontextualization of cognition will enable linguistics (including sociolinguistics as an integral part), to eliminate the cracks in the foundations that were the result of suppressing the sociocultural underpinnings of linguistic facts.

Cognitive Sociolinguistics: Social and cultural variation ...

Cognitive sociolinguistics is an emerging field of linguistics that aims to account for linguistic variation in social settings with a cognitive explanatory framework. The goal of cognitive sociolinguists is to build a mental model of society, individuals, institutions and their relations to one another.

Cognitive sociolinguistics - Wikipedia

Cognitive Sociolinguistics: Social and cultural variation in cognition and language use Martin Pütz , Justyna A. Robinson , Monika Reif This volume is intended to be a contribution to the rapidly growing field of research into Cognitive Sociolinguistics which draws on the convergence of methods and theoretical frameworks typically associated with Cognitive Linguistics and Sociolinguistics.

[Martin Pütz.] -- With the notable exception of the application of the metonymy model to explain stereotyping (Kristiansen, 2001), sociolinguistic language attitudes research has typically focused exclusively on ...

Cognitive sociolinguistics : social and cultural variation ...

More specifically, the papers, originally published in Review of Cognitive Linguistics 10:2 (2012), focus on terms and concepts which are foundational to the discussion of Cognitive Sociolinguistics such as the role of cognition in the sociolinguistic enterprise; the social recontextualization of cognition; variability in cognitive systems; usage-based conceptions of language; pragmatic ...

Cognitive Sociolinguistics: Social And Cultural Variation ...

A union of Cognitive Linguistics and Sociolinguistics was bound to happen. Both proclaim a usage-based approach to language and aim to analyse actual language use in objective ways. Whereas Sociolinguistics is by nature on the outlook for language in its variety, CL can no longer afford to ignore social variation in language as it manifests itself in the usage data.
