English literature - English literature - The 18th century: The expiry of the Licensing Act in 1695 halted state censorship of the press. During the next 20 years there were to be 10 general elections. These two factors combined to produce an enormous growth in the publication of political literature. Senior politicians, especially Robert Harley, saw the potential importance of the pamphleteer ...

English literature - The 18th century | Britannica

In the 18th century, as more people were able to read and write, letter writing flourished, and became an essential part of both public and private life. In a society where a large number of people had no formal education, imitating the letter-writing style of learned gentlemen was challenging for many country farmers—we can't all be Thomas Jefferson, after all.

the letter and the distance it was traveled. To save on space and pay less in fees, people would often write what we call "cross-letters." Once the writer finished writing down the page, he or she would turn the paper

and write down from the margins, overlapping what was already written ("Letters from the 18th Century"). While it may have saved money, they were often very hard to decipher.

18th Century Letters - Letters in Pride and Prejudice

This list of 18th-century journals covers published academic journals from a variety of fields, that were current and printed between 1700 and 1799. It also includes journals that, although initially published before 1700, were current and in print during that century as well. Note that a number of personal books and publications were also titled as "journals"; unless notable, these have been ...

List of 18th-century journals - Wikipedia

The British Army in the 18th century was commonly seen as disciplined, regimented and harsh. Camp life was dirty and cramped with the potential for a rapid spread of disease, and punishments could be anything from a flogging to a death sentence. Yet, many men volunteered to join the army, to escape the bleak conditions of life in the cities, for a chance to travel the world and earn a regular ...
