Before we can get into how to write redemption arcs, we should first answer an important question: What do I mean by redemption? At its core, a redemption arc is a storytelling device where a character who is evil and destructive—or embodies evil, destructive traits—atones for their flaws and overcomes them, transforming from villain to hero.

## **The ...**

The inciting incident HAS to have a significant effect on the hero.  
First turning point - The hero starts the journey and deals with the new situation caused by the inciting incident. Call to action - The hero's goal gets more specific. Point of no return - At the midpoint of the story, the hero will have to risk everything.
