English Courses Dublin - Berlitz English Language School

I know. With the greatest of respect for book designers and internal formatters, formatting isn't exactly the sexiest of topics for an author to consider. But, if you don't know how to format a book it can cost you a reader. You'd much rather paint a new world on the canvas of your book than talk about unadorned, 12-point Times New Roman.

How to Format a Book: 10 Tips Your Editor Wants You To Know
