### The Sociology Of Philosophies A

The Sociology of Philosophies is an ambitious, comprehensive, and brilliant account of the rationalization process of three world philosophies: Western, Indian, and Asian. In Collins' analysis, this developmental process is shown to be generated via social and conceptual networks...

### Amazon.com: The Sociology of Philosophies: A Global Theory ...

Randall Collins traces the movement of philosophical thought in ancient Greece, China, Japan, India, the medieval Islamic and Jewish world, medieval Christendom, and modern Europe. What emerges from this history is a social theory of intellectual change, one that avoids both the reduction of ideas to the influences of society at large and the purely contingent local construction of meanings.

### Review of The Sociology of Philosophies: A Global Theory ...

The Philosophy of Sociology refers to the use of philosophical thought to critique or clarify the discipline of sociology in either its academic form or intellectual content. With regards to the academic form of sociology, there is philosophical questioning of (1) the coherence of a discipline bound by a theory of society and its proper delineation from other historically related fields (e.g. economics, anthropology); (2) applications of the demarcation problem in philosophy of science ...
