any devices to read.

Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Toronto Notes 2014 Edition

Toronto Notes is a concise and comprehensive medical review revised annually by the University of Toronto student contributors under the guidance of the Faculty of Medicine. This reference text started as a compilation of notes written by and shared among University of Toronto students to study for their medical licensing exams.
