Saia LTL Freight is one of the nation's leading carriers, providing less-than-truckload (LTL), truckload, distribution and consolidation and logistics services.

LTL Freight Shipping & Logistics Services | Saia

Top trucking executives are breathing a sigh of relief after a California judge recently issued an injunction against Assembly Bill 5 (AB5), a law governing owner-operators that potentially could be very disruptive to trucking operations in the nation's most populous state. Truck drivers are divided on AB5, a California law that limits when workers can be contractors instead of employees.
